

Appendix E: Australian University Theses on Child Protection Issues

Based on searches of the Australian Digital Project and individual searches of University's websites, the following 165 theses conducted or submitted between 1995 and 2004 were identified:

- Allan, J. (1997), *Child perpetrators of sexual abuse: professional and agency responses*, Unpublished MSocSc(Crim) thesis, Charles Sturt University.
- Allan, J. (2003), *An Australian study of intervention with sexually violent children*, Unpublished PhD thesis, Charles Sturt University.
- Andrews, D. (2001), *Childhood sexual abuse experiences and sexual and nonsexual criminal activity among convicted child molesters*, Unpublished BPsych(Hons) thesis, Griffith University.
- Armstrong, K. J. (2004), *Effectiveness of a pram walking intervention for women experiencing postnatal depression*, Unpublished PhD thesis, Queensland University of Technology.
- Armstrong, S. J. (2001), *New life: pregnancy, childbirth and early parenting in women affected by child sexual assault*, Unpublished MSW thesis, Monash University.
- Bagshaw, D. M. (2004), *Verbal abuse and adolescent identities: marking the boundaries of gender*, Unpublished PhD thesis, University of Melbourne.
- Baldini, A. (1997), *Investigation of child maltreatment: factors involved in child protection workers' decisions to apply for protection orders in response to reports of child abuse or neglect*, Unpublished MPsych thesis, Monash University.
- Basuni, A. (1998), *Child welfare services and their evaluation in South Australia comparative view of evaluation methods and procedures in substitute care in South Australia*, Unpublished MSocAdmin, Flinders University of South Australia.
- Belzycki, K. (1995), *The impact of the child sexual abuse accommodation syndrome on juror decision*, Unpublished MPsych, Monash University.
- Bennett, L. M. (2000), *Local government and child care in Melbourne: contesting competition in the 1990s*, Unpublished MA thesis, University of Melbourne.
- Beswick, A. V. (1995), *The effect of the closed-circuit television system on jurors' trial*, Unpublished MPsych thesis, Monash University.
- Blyth, C. (2002), *Does the criminal justice system adequately deal with the victims of child sexual abuse?* Unpublished MA thesis, Griffith University.
- Bogossian, F. E. (2003), *The mothers' health study: a randomised controlled trial of a social support intervention on the health of mothers in the year after birth*, Unpublished PhD thesis, University of Queensland.
- Boltje, C. C. (1998), *The adversarial criminal justice system: why a substantial number of child sexual abuse matters are not prosecuted*, Unpublished MSocSc thesis, University of South Australia.
- Bonomo, Y. A. (2001), *A prospective study of the antecedents of alcohol dependence and abuse in young adults*, Unpublished PhD thesis, University of Melbourne.
- Brennan, P. J. (2001), *Dumb questions - blustering hostility: nature/nurture, the body and the sociology of child abuse*, Unpublished MA(Hons) thesis, University of Western Sydney.
- Buckle, S. K. (2002), *Factors influencing the relationship between sexual abuse and academic achievement*, Unpublished DPsychology(Clinical) thesis, Deakin University.
- Buist, A. (1999), *Childhood sexual abuse and its association with postpartum depression and early parenting difficulties*, Unpublished MD thesis, University of Melbourne.
- Bunn, P. (2002), *Children and animal cruelty: Development of an observational measure to determine the quality of child - animal interactions*, Unpublished BPsych(Hons) thesis, Griffith University.
- Chan, K. Y. (2001), *Representation of child-sex offenders in cognitive-behavioural therapy: a case study*, Unpublished MCrim thesis, University of Melbourne.
- Chojnacki, A. (2003), *Reactions to witnessed cases of child maltreatment on reporting behaviour: application of the general judgment and decision making model*, Unpublished BPsych(Hons) thesis, University of Queensland.
- Christie, C. A. (1999), *"Peacebuilders": a community approach to violence reduction in schools: an evaluation of the effectiveness of the program in one public primary school in the greater Brisbane area*, Unpublished MPH thesis, University of Queensland.
- Cohenka, M. (1998), *Diagnosis of post-traumatic stress disorder in women who have a history of childhood sexual assault*, Unpublished MA thesis, University of Melbourne.
- Connors, J. (2003), *The prevalence of childhood sexual abuse and childhood physical abuse and the long-term impact of that abuse in Queensland women prisoners*, Unpublished MpubHealth thesis, University of Queensland.
- Cooper, R. J. (2000), *The impact of intra-familial child abuse and neglect on preschool children's play*, Unpublished PhD thesis, University of Queensland.
- Cossins, A. (1998), *Masculinities, sexualities and child sexual abuse*, Unpublished PhD thesis, University of New South Wales.
- Critchley, C. R. (1999), *Predicting power assertive and inductive reasoning parent behaviour: the influence of parent cognitions, parent stress, child temperament and socioeconomic status*, Unpublished PhD thesis, University of Melbourne.
- Dauphinais, M. (1999), *Evaluation of a developmentally appropriate parentcarer and child sexual abuse prevention program with sexually abused prevention program with sexually abused children*, Unpublished MPsych(Clin) thesis, University of Newcastle.
- Davies, E. R. (2000), *Mandatory notification, child abuse and neglect: a child care perspective*, Unpublished BSocWk(Hons) thesis, University of South Australia.
- Davis, L. M. (2003), *Factors influencing interaction between a mother and her premature infant*, Unpublished PhD thesis, Queensland University of Technology.
- De Wit, K. L. (2001), *Nurses' knowledge and experience of the mental health effects of domestic abuse on children and adolescents: a naturalistic multiple case study*, Unpublished BNurs(Hons) thesis, Southern Cross University.
- Derham, L. J. (1997), *The impact of physical abuse on aggression in children's cognitive models*, Unpublished BA(Hons) thesis, Flinders University of South Australia.
- Diamond, A. K. (2003), *Toddlers and safety: mothers' disciplinary strategies and their relationship to child characteristics*, Unpublished MA thesis, Macquarie University.
- Dods, V. (2003), *Fracturing the facade: exploring the impact of childhood sexual abuse*, Unpublished DPsychology(Forensic) thesis, Deakin University.
- Dwyer, J. A. (1999), *Loss, trauma and the familial ideal: some Australian women's responses to the incestuous abuse of their children*, Unpublished PhD thesis, University of Melbourne.

- Dwyer, S. B. (2002), *Identifying children at risk of developing mental health problems: screening for family risk factors in the school setting*, Unpublished PhD thesis, Queensland University of Technology.
- Eastwood, C. J. (1998), *Surviving child sexual abuse and the criminal justice system*, Unpublished PhD thesis, Queensland University of Technology.
- Farate, E. J. (2000), *Protecting children in a multicultural society: an Australian story*, Unpublished MSW thesis, Curtin University of Technology.
- Ferguson, K. L. (2002), *Understanding the victim to offender cycle of child sexual abuse: the role of abuse-specific characteristics as compared to family-specific characteristics*, Unpublished MEd thesis, Griffith University.
- Fitzroy, L. (1995), *Mother/rapist: women's experience of child sexual assault perpetrated by their biological or adoptive mother*, Unpublished MA thesis, La Trobe University.
- Fleming, J. (1996), *The relationship between a reported history of childhood sexual abuse and alcohol abuse in women*, Unpublished PhD thesis, Australian National University.
- Fraser, J. A. (2000), *The role of home visiting as an early intervention strategy for prevention of child abuse and neglect*, Unpublished PhD thesis, Griffith University.
- Gibbons, J. L. (1999), *Services for adult survivors of child sexual abuse*, Unpublished PhD thesis, University of Newcastle.
- Gibbs, J. (2002), *Sink or swim: changing the story of child protection: a study of the crisis in recruitment and retention of staff in rural Victoria*, Unpublished PhD thesis, La Trobe University.
- Golias, P. K. (1995), *Child videotaped evidence versus live evidence: the effects of the jury*, Unpublished MPsych thesis, Monash University.
- Gould, L. (1996), *Evaluation of a group therapy program for sexually abused adolescents*, Unpublished MPsych(Clin) thesis, Flinders University of South Australia.
- Grant, E. F. (1995), *The relationship between childhood sexual abuse and eating disorders: a preliminary investigation*, Unpublished MAppSc(Psych) thesis, Royal Melbourne Institute of Technology.
- Grant, S. K. (1999), *Social regulation and the disciplining of young children's bodies in child-care*, Unpublished MEd(Research) thesis, Queensland University of Technology.
- Hammer, M. D. (1998), *Measurements of social-emotional development and the impacts of child abuse and neglect*, Unpublished MEd thesis, La Trobe University.
- Hartwig, J. (1998), *The investigatory interviewing of children: a child's understanding of the process*, Unpublished BA(Hons) thesis, University of South Australia.
- Hayward-Brown, H. P. (2003), *Misdiagnosed children, misdiagnosed parents: chronic illness and the spectre of Munchausen syndrome by proxy*, Unpublished PhD thesis, Charles Sturt University.
- Higgins, D. J. (1998), *Multi-type maltreatment: Relationships between familial characteristics, maltreatment and adjustment of children and adults*, Unpublished PhD thesis, Deakin University.
- Hodgkin, S. (1999), *Competing demands, competing solutions: differing constructions of the problem of recruitment and retention of frontline rural child protection staff*, Unpublished MSocWk thesis, La Trobe University.
- Holland, G. V. G. (1998), *The influence of mandatory reporting legislation on doctors' reporting behaviour*, Unpublished MSS thesis, Australian Catholic University.
- Hood, M. (1997), *The social construction of child abuse in Australia and South Australia*, Unpublished PhD thesis, University of South Australia.
- Hourigan, D. (2000), *Associations between early family environments, early sexual contact and empathy in incarcerated adult male sexual offenders*, Unpublished BA(Hons) thesis, Griffith University.
- Howarth-Hockey, G. (2001), *Residential behavioural intervention for rural mothers of children with disruptive behaviour disorders: a clinical replication series*, Unpublished MPsychClin thesis, University of Queensland.
- Hudson, J. D. (1997), *An investigation of novice and expert social workers' use of knowledge in child protection decision-making*, Unpublished PhD thesis, University of South Australia.
- Hume, M. (1996), *Child sexual abuse allegations and the family court*, Unpublished MsocSc thesis, University of South Australia.
- Hurren, E. (2004), *Community classifications of child maltreatment and subsequent reporting behaviour: the effects of ethnicity, outcome, and causal attributions*, Unpublished BPsych(Hons) thesis, Griffith University.
- Jackson, A. (1997a), *Family reunification: the journey home*, Unpublished MSW thesis, University of Melbourne.
- Jackson, W. (1997b), *The death of Daniel Valerio: a postmodern analysis of representations of motherhood, masculinity and mateship in a child abuse case*, Unpublished MA(CrimSt) thesis, La Trobe University.
- Johnston, K. E. (1997), *A study of the implementation of intervention planning policy within the Department of Families, Youth and Community Care: Sub-titled: That's what you do [POLICY]; but is that what you do? [PRACTICE]*, Unpublished MsocWk thesis, University of Queensland.
- Joseph, L. (1996), *An exploratory study of 'respectful relationships': an abuse prevention program incorporating both modern and post modern family therapy theory and practice methods*, Unpublished MfamTher thesis, La Trobe University.
- Joy, R. F. (2003), *Governing child sexual abuse: the psy/legal nexus*, Unpublished PhD thesis, University of Queensland.
- Karalis, J. (2001), *'The ideology of empowerment': importing program models in the area of child abuse and neglect*, Unpublished BsocWk thesis, University of South Australia.
- Keenan, C. (2000), *Child abuse: the children, families and notifiers*, Unpublished MA thesis, University of Melbourne.
- Kelly, A. (2000), *Child witnesses in sexual assault cases: protecting children in the criminal justice system without prejudicing the accused*, Unpublished LLB(Hons) thesis, University of New England.
- Khoo, K. T. (1995), *The effectiveness of three treatment regimens used in the management of neonatal abstinence syndrome*, Unpublished PhD thesis, University of Melbourne.
- Kilpatrick, K. L. (2000), *The parental empathy measure: a new approach to assessing child maltreatment risk*, Unpublished PhD thesis, University of New England.
- Kostecki, K. (2000), *Policy activism in the field against sexual assault in Victoria during the 1990s*, Unpublished MSW thesis, University of Melbourne.
- Kyrios, M. (2000), *Youth suicide and child*, Unpublished MSW thesis, Monash University.
- Lancaster, S. (1996), *Towards a psychoanalytic understanding of generational patterns of sexual abuse*, Unpublished MPS thesis, Monash University.
- Levy, F. (2004), *Models of childhood trauma*, Unpublished MA thesis, University of New South Wales.
- Lilley, P.-R. (2003), *Emotional and behavioural difficulties in children referred to an early intervention program following child sexual abuse*, Unpublished PhD(Clin) thesis, University of Queensland.
- Lim, C. B. L. (2000), *Stolen generations: the forcible removal of aboriginal children from their families: identity and belonging*, Unpublished PhD thesis, University of Melbourne.
- Louis, A. (2001), *Development and psychometric evaluation of the mother and child risk observation (MACRO) forms to assess the risk to mother and infant (MACRO 1) or mother and child (MACRO 2) in the presence of maternal mental illness*, Unpublished PhD thesis, Flinders University of South Australia.

- Lunnay, C. (1996), *Empirical investigation of a post-incest syndrome*, Unpublished MPsych(Clin) thesis, Flinders University of South Australia.
- Lynas, J. (2003), *An exploration of the links between child maltreatment and juvenile sexual offending*, Unpublished BPsych(Hons) thesis, Griffith University.
- MacMahon, P. A. (1995), *The other victim: the accused*, Unpublished MSocSc(Crim) thesis, Charles Sturt University.
- Martin, A. J. (2002), *Work and family: the application of the triple positive parenting program as a work site intervention*, Unpublished MpsychClin thesis, University of Queensland.
- Marziano, V. (2002), *Male child molesters' implicit theories*, Unpublished PhD thesis, University of Melbourne.
- Mathers, J. (1997), *An investigation of visual metaphors for women who survive abuse*, Unpublished MA thesis, RMIT University.
- Mazza, D. (1996), *An analysis of the relationship between psychotropic drug use by women and a history of physical and/or sexual abuse*, Unpublished MD thesis, University of Melbourne.
- McCabe, B.-A. (1999), *Childhood attachment and early sexual experiences of incarcerated adult male sexual offenders*, Unpublished BPsych(Hons) thesis, Griffith University.
- McCallum, C. (1998), *An investigation of mandated notification training*, Unpublished BA(Hons) thesis, University of South Australia.
- McCallum, F. (2000), *The effectiveness of training as professional development: teachers as mandated notifiers of child abuse and neglect*, Unpublished PhD thesis, University of South Australia.
- McCarthy, J. (2002), *Childhood attachment, adult attachment and interpersonal style in sex offenders*, Unpublished DPsych thesis, Monash University.
- McDonagh, C. M. (2000), *Risk and protective factors contributing to mood or behavioural adjustment problems in adolescent boys: a school-based study*, Unpublished MpsychEd thesis, University of Queensland.
- McGregor, K. J. (2001), *Professionals' attitudes towards child abuse*, Unpublished MA thesis, Flinders University of South Australia.
- McKillop, N. (2001), *Associations between victim-offender proximity and the frequency and duration of child sexual abuse*, Unpublished BPsych(Hons) thesis, Griffith University.
- McTaggart, P. G. (2003), *The transition to primary school project: prevention or risk factors in the development of conduct problems*, Unpublished PhD thesis, University of Queensland.
- Miller, R. M. (1996), *A confrontative interview for survivors of sexual abuse: exploring the experience and impact of an innovative technique*, Unpublished MfamTher thesis, La Trobe University.
- Mitchell, G. L. (1995), *Child welfare families: elaborating an understanding through social work practice and research and the use of volunteers*, Unpublished PhD thesis, University of Melbourne.
- Mondy, L. P. (2001), *A study of a child protection program - NEWPIN: What are the experiences of the participants: children, mothers and staff*, Unpublished MSW thesis, University of Newcastle.
- Moore, M. (2000), *Successful placements in specialised home-based care: carers' and workers' views of agency defined successful placements*, Unpublished MSW thesis, University of Melbourne.
- Morawska, A. (2004), *Efficacy and effectiveness of self-directed behavioural family intervention*, Unpublished PhD thesis, University of Queensland.
- Mouzos, J. (1998), *Intrafamily violence and alcohol consumption: a review of the literature and an empirical examination of the relationship between alcohol consumption and the severity of intrafamily violence*, Unpublished Mcrim thesis, University of Melbourne.
- Mudaly, N. (2002), *Listening to children who have been abused: they tell us about abuse and professional interventions*, Unpublished PhD thesis, Monash University.
- Mueller, R. (2002), *Pre-service teachers' knowledge, understanding and confidence about identifying and reporting child abuse and neglect*, Unpublished BEd(Hons) thesis, University of South Australia.
- Mullane, S. (2000), *An inquiry into the lived experience of women in a group dance therapy*, Unpublished MEd thesis, University of Melbourne.
- Mullins, M. J. (1998), *Maternal attributions in dyads differing in risk for child abuse*, Unpublished MpsychClin thesis, University of Queensland.
